

Biography Scrapbook Project:

You will receive a 12 x 12 piece of scrapbook paper that you will use to create 2 pages about your famous person. You do not have to buy any special supplies, but you are encouraged to be creative. You may add stickers, cut outs, paper, etc.

1. Research your given person using various resources: books, encyclopedias, internet, etc. (you must have at least one book)
2. Take notes on the paper provided to you (this will be done in class)
3. Create a 12x12 page using the front and back and checklist given below.

_____ Person's name, date of birth, date of death, birthplace

_____ At least 4 important facts about the person (why are they famous, interesting facts, etc)

_____ 3 pictures (can be from internet, magazine or drawn, needs to have a caption)

_____ Write a journal or diary entry written from the person's point of view (at least 5-7 sentences)

_____ Souvenirs: Draw, create, collect or find at least 3 things that the person would have put into the scrapbook (these must make sense, meaning you would not have a picture of a basketball for Thomas Edison)
